Catholic Virtue of the Month - Empathy

During the month of October, our Catholic Schools are celebrating the virtue of EMPATHY. We will teach the students the importance of this virtue by emphasizing the value of being compassionate, faithful people. The link of Empathy to our Catholic Graduate Expectations is strong and powerful. Empathy makes one a more caring family member, helps to develop responsibility in our students and assists us all in listening kindly to others. Please help us by praying for the staff and students as we explore this important virtue.

Bishops' Collection for the Needs of the Church

Today, a special collection is held in parish communities across the country to support the pastoral work of the Bishops nationally and internationally. Founded more than 65 years ago, the CCCB is the assembly of all the Bishops of Canada, including those of the Eastern Catholic Churches. In addition to assisting in consultations with the Holy Father and the various departments of the Holy See, the CCCB works in close partnership with other Episcopal Conferences around the world, and in particular with those in the Americas. Through the work of its commissions and committees, it is involved in the issues that affect the life of the Church today and shape society. The Bishops of Canada wish to thank you in advance for your generosity.
