## St. Francis Parish Forum

### Sunday, October 18<sup>th</sup>, 2:00 - 4:00 pm

We often refer to St. Francis Parish as a family and like any family talking things over once in a while gives us the opportunity to improve. On Sunday October 18th we are planning a meeting in the Parish Hall to identify ways in which the parish can better serve its vision to be welcoming and support its parishioners through service, education and liturgy. All members of the parish are invited to attend and have their say. In fact, we need every point of view to be represented so that we can understand how best the parish can serve the needs of all its members. No matter how young or old, whether you are new to the parish, a long standing member or just interested in joining the parish, in fact whatever your station, you will be more than welcome. Please make a note in your calendar to attend what we hope will be a meeting that will help shape the future of St. Francis Parish. Refreshments will be provided.
