### Catholic Virtue of the Month - Justice

During the month of November, our Catholic Schools are celebrating the virtue of JUSTICE. While there are many definitions of justice, each school will focus on the aspects of fairness, righteousness and social justice. To help students understand that justice has many forms, we will look at how justice applies to our school, our community, and our lives in the areas of health, safety and dignity. Please help us by praying for the staff and students as we explore this important virtue.

"Truly I tell you, just as you did it to one of the least of these, you did it to me." Matthew 25
