Catholic Education: A Distinct Success!

Ontario's Catholic education system is not a duplicate of other school systems. While it adheres to Ministry of Education requirements, it does so with a Catholic perspective. In the Catholic education system, home, school and parish form a vital partnership. Students are nurtured by the principles and standards articulated in the Gospel, reaching into every facet of school life.

Do you have a Green Thumb??

Do you like working in the flower beds? Why not do the same for our church grounds as we are in need of some people to volunteer for this very important ministry. Please call Fr. Peter if you are interested in helping out this way.

Thought for the Week

Today is the World Day of Prayer for Vocations. Today we reflect on the meaning of God's call and pray for vocations. Christ continues to lead his people through bishops, priests and deacons and calls many to follow him in this way.

Joke of the Week *Wordplay for the Bored and Restless*
